## Who we are?

Ultra Shine Solar Ind. is one of the fastest growing renewable energy company based at Rajkot, Gujarat (India). Ultra Shine is a group of well experienced, dynamic and young engineers. Ultra Shine is an ISO 9001:2008 certified company. The company has a very good distribution network of b and dedicated dealers throughout India providing services right from selection of proper type, size of water heaters and other equipment's to prompt & efficient after sales service. Ultra Shine considers “investment in the sustainable energy” as one of the most important ways in the alternative energy searches and as a valuable heritage for future generations.

- Ultra Shine have their own, marketing network like sub-dealers, sales person etc., and trained installation & service support team backed by skilled technocrats at Ultra Shine Solar. On the basis of market & customer feedback we carry out continuous improvement in our existing products and lay foundation for future product. We try to increase efficiency of our dealers through continuous performance monitoring and training
